

Personalized Hair Care Solutions
with TrichoConcept™

AnazaoHealth® 

PhytoTress® is a personalized hair care solution line with the patented TrichoTech™ Technology, an intelligent Phytocomplex that balances the entire hair system- Bulb, Scalp and Shaft (BSS). It is 100% natural, based on plant extracts and is free of controversial ingredients and impurities. The patented TrichoTech Technology maximizes prescription results by the physiological improvement of the cellular environment. PhytoTress product line includes seven different vehicles that can be compounded with individual ingredients or any combination of Latanoprost, Minoxidil, Finasteride, Ketoconazole, or Clobetasol.

PhytoSolRx™

PhytoFoamRx™

PhytoCreamRx™

PhytoOilRx™

PhytoWashRx™

PhytoCondRx™

PhytoSerumRx™

PhytoSolRx™

Non-irritating hydrophilic solution

PhytoSolRx™ is a highly spreadable hydrophilic solution containing mineral salts of vegetable origin. It is **free from alcohol and propylene glycol**.

PhytoSolRx has proven to be an ideal and stable vehicle for application of **Minoxidil Base up to 5%**.

Disclaimer: Some active ingredients may require additional solvents.

PhytoSolRx Benefits:

- **Soft formula without propellants**
- **Unique and proven stability with water-soluble and liposoluble APIs (Active Pharmaceutical Ingredients) and DCIs (Dermaceutical Ingredients)**
- **Non-irritating vehicle**
- **Does not cause hair dryness**
- **Patient-Specific prescription is required**

PhytoFoamRx™

Foaming vehicle for localized application

PhytoFoamRx™ is an **alcohol-free and propylene glycol-free foam vehicle** for water soluble and some liposoluble actives.

PhytoFoamRx is formulated with gentle, non-irritating and sensory-pleasing ingredients.

PhytoFoamRx has been shown to be an ideal and stable vehicle for application of **Minoxidil Base up to 5%**.

Disclaimer: Some active ingredients may require additional solvents.

PhytoFoamRx Benefits:

- **Soft formula without propellants**
- **Non-irritating vehicle**
- **Unique compatibility and proven stability with APIs and DCIs, water soluble and liposoluble, such as Minoxidil Base**
- **Provides soft foam with minimal oiliness**
- **Drip-free**
- **Patient-Specific prescription is required**

PhytoWashRx™

Cleans from root to tip without causing damage

PhytoWashRx™ is a shampoo made with non-irritating ingredients.

The formulation of **PhytoWashRx** cleans without destroying fatty acids and promotes lasting hydration, softness and flexibility to the hair.

With antioxidant action, **PhytoWashRx** delivers multiple benefits that favor the delivery of active ingredients.

Studies suggest the combinations of PhytoOil, and PhytoCond demonstrate a significant increase in gloss and hydration. **PhytoWashRx can be used in all types of hair.**

Disclaimer: Some active ingredients may require additional solvents.

PhytoWashRx Benefits:

- Protects against visible signs of aging hair
- Detoxifies, hydrates and purifies the scalp
- Patient-Specific prescription is required

PhytoCondRx™

Sealing & strengthening the hair cuticle

PhytoCondRx™ is a high-power moisturizing conditioner.

PhytoCondRx keeps the structure aligned and firm. The adjusted pH of PhytoCondRx (always less than 4.5) promotes the final **cohesion of the hair cuticles**.

PhytoCondRx provides a source of peptides needed to maintain the proteins present in the hair cuticle, **preventing cuticle breakage** and exposure of the cortex.

For best results, use in combination with PhytoWashRx and PhytoOilRx

Disclaimer: Some active ingredients may require additional solvents.

PhytoCondRx Benefits:

- **Protects against visible signs of aging hair**
- **Promotes cohesion, strengthening and hydration of the cuticle**
- **Patient-Specific prescription is required**

PhytoOilRx™

Hydration from the scalp to the shaft

PhytoOilRx™ is a **100% natural** lipid vehicle activated by TrichoTech, an intelligent phytocomplex that acts on the entire hair system. It solubilizes liposoluble actives and brings them to the BSS (Bulb, Scalp, and Shaft) hair system through the lipid layer, aiding fatty acids.

PhytoOilRx contains essential fatty acids that promote restoration and hydration of the scalp and shaft.

Disclaimer: Some active ingredients may require additional solvents.

PhytoOilRx Benefits:

- **Seals and strengthens the cuticle**
- **Decreases porosity of the cuticle**
- **Restores and hydrates the scalp**
- **Patient-Specific prescription is required**

PhytoSerumRx™

Promotes protection, brightness & anti-frizz

PhytoSerumRx™ is a unique hair texturing system designed to provide three-dimensional brightness, as well as a **smoothness and anti-frizz action**.

It should be used on hair after conditioning with Phyto-CondRx.

With the smart technology of TrichoTech, it **seals the cuticles and offers effective heat and color protection for chemically treated hair**.

Disclaimer: Some active ingredients may require additional solvents.

PhytoSerumRx Benefits:

- **Conditioning**
- **Three-dimensional brightness**
- **Anti-frizz action**
- **Heat Protection**
- **Color Protection**
- **Patient-Specific prescription is required**

PhytoCreamRx™

Ideal for the eyelash & eyebrow area

PhytoCreamRx™ is a natural hydrophilic gel cream based on refined olive oil and shea butter for eyelashes, eyebrows, and beards. It has a unique formulation, soft and very light, that provides antioxidant and unique emollient properties.

PhytoCreamRx is a non-greasy topical vehicle with adequate viscosity that facilitates safe local use.

Disclaimer: Some active ingredients may require additional solvents.

PhytoCreamRx Benefits:

- **Formulated with natural emulsifiers containing high concentrations of triglycerides linoleic and oleic acids**
- **Contains tocopherol, an antioxidants that protects API's**
- **Moisture rich**
- **Lightweight**
- **Patient-Specific prescription is required**
- **Each box includes 30 disposable brushes to eliminate contamination between application**

7 vehicles with Patented TrichoTech Technology

The first global line of multifunctional vehicles with TrichoTech Technology, that balances the entire hair system - bulb, scalp and shaft.
